## 1. Awake the Dawn

by Liz Roberson

Awake the dawn with praise my soul  
Awake the dawn with praise my soul  
Awake the dawn with praise my soul  
Awake the dawn with praise my soul

Find me praisin'  
When I've barely waken  
Find me praisin'  
When I've barely waken  
Find me praisin'  
When I've barely waken  
Awake the dawn with praise my soul

No longer asleep  
Nothing can keep me from You  
No longer asleep  
Nothing can keep me from You

Hear our song rise up!  
Hear our praise waking the dead!  
Hear our song rise up!  
Hear our praise waking the dead!

## 2. Inhabit

by Casey Moore, Leeland Mooring

Our praise becomes  
Your house, Your place  
Our praise becomes  
Your house, Your place  
Our praise becomes  
Your house, Your place

Oh God

We sing a song and You come in  
Make a dance and You come in  
Shout Your name and You come in  
Give You praise and You come in

We sing a song and You come in  
Make a dance and You come in  
Shout Your name and You come in  
Give You praise

You inhabit the praises of Your people  
You inhabit the praises of Your people

### 3. When I Lock Eyes With You

by Brandon Lake, Elyssa Smith,  
Jonathon Jay, Tony Wood

Come in like a fire  
Come in like a flood  
I don't care what it looks like  
I'm so in love

Come in like a fire  
Come in like a flood  
I don't care what it looks like  
I'm so in love

All I want is You  
All I need is You  
All I see is You  
Just You

When I lock eyes with You  
I see my reflection  
When I lock eyes with You  
I feel Your affection  
I love to get lost in You  
'Cause You're my obsession  
When I lock eyes with You

### 4. Let the Light In

by Brett Younker, Cody Carnes,  
Kristian Stanfill

It's time for the sleeper to wake  
It's time for the old winds to change  
I hear the Spirit say it's time

It's time for the dead man to rise  
It's time for the Great Light to shine  
I hear the Spirit say it's time

Fling wide you heavenly gates  
Let the King of glory in  
Let the King of glory in

Come ride in on Your people's praise  
Let the King of glory in  
Let the King of glory in

Open up the windows, let the light in  
Open up the windows, let the light in  
Open up the windows, let the light in  
Let the light in, let the light in

Open up the windows, let the light in  
Open up the windows, let the light in  
Open up the windows, let the light in  
Let the light in, let the light in

**(Closing Song)**

## **5. Revival's in the Air**

by Cadence Helser, Jonathan David Helser, Melissa Helser

Oh, I can feel redemption on the wind  
Forgiveness like the tide rolling in  
Taking up the space where shame has lived  
Receiving all that You died to give

Let the wind blow, let the tide roll  
'Til the earth knows You're a God of love  
Let my dry bones sing a new song  
All the glory to the God of love

Oh, I can see an army of dry bones  
Rattling, moving bone to bone  
You breathe a breath of life into our lungs  
Marching on our knees, we march to love

Revival's in the air  
Catch it if you can  
He's moving on the wind  
The dawn is breaking

Oh, lift your eyes to see  
He's better than you dreamed  
And everything you lost  
Love's returning

All the glory to the God of love
